Purpose of Camp Hill Primary School is to develop and nurture lifelong learners within an engaging, global learning community, where the uniqueness and contributions of individuals are valued, shared and celebrated.

Following are the **core values** in which we strongly believe; they underpin our purpose and are the guiding principles of our school.

Caring: Being kind, helpful and sympathetic toward other people.

Honesty: To always tell the truth.

Confidence: Believing in yourself and others.

Respect: Recognising the rights, feelings, wishes and individual differences of others through our speech and manners.

Trust: Safely express opinions, beliefs, thoughts, and feelings in a secure environment.

Curriculum Day

The new date for the pupil free, Curriculum Day will be 28th October, please be aware this is the day after the Bendigo Cup public holiday. Out of School Hours Care will be available for families on the pupil free day. Bookings can be made through the normal channels.

Camp Hill Parents & Friends Group

At the School Council meeting on Tuesday evening, discussion was centred around re-establishing the Camp Hill Parents and Friends Group. The discussion recognised the importance of this group in maintaining social connection for parents to the school. An invitation will be extended to all parents to be part of this group.

100 Days of School

Congratulations to all of our Prep students who this week celebrated 100 days of school. This milestone not only recognises attendance but the significant learning undertaken during this time.

Values Champions

Congratulations to the following students who are this week's values champions:

Nay H, Hannah H, Pixie B, Isabelle Y, Abbie S and Caprice J. These students will be presented with a certificate recognising their achievement at this week's assembly.

Silent Auction

To raise money to upgrade our junior school playground we are seeking donations for our Silent Auction.

The success of this event greatly depends on the support and generosity of our school community. We understand that COVID has affected many, so we understand if it is difficult at this time.

If your business can in any way support our school by means of a donation in the form of a product or voucher, this would be greatly appreciated **OR** if you are able to purchase vouchers for goods and services from local businesses to donate to our auction, they will be warmly received.

All donations will be publicly acknowledged and we encourage you to take a look at our [Silent Auction Facebook page](#) to see how we have promoted auction items in the past.

Thank you for your support.

Please indicate below if you are donating or you know of a donation. Please email or return slip to the school office by Friday 20th August.

LIBRARY

Book Week Dress Up next Wednesday 25th August!!

Due to COVID gathering restrictions, we will not be having a whole school parade. Instead, each Department will celebrate Book Week Character parade together.

The Theme: **OLD WORLDS, NEW WORLDS AND OTHER WORLDS**

We are really excited and looking forward to the gorgeous and clever costumes we shall see next Wednesday.

It's always a surprise to see such a range of book characters and really creative costumes. Roll on next Wednesday!

FOUNDATION LEARNING TEAM

100 Days Of School

We had the best time celebrating our 100 days of school. Thank you to everyone for organising their children's costumes. Everyone looked amazing!

Jet's Gym

We are all really looking forward to our first Gym session tomorrow. Please ensure your child is on time. Buses will leave promptly at 9am. Keep an eye out for photos in next week's newsletter.

Foundation Learning Team

1/2 LEARNING TEAM

This week's learning

This week 1 / 2 students have been practicing 'fluency' in Reading. Students have been using their 'this is interesting!' voices to help them. Students have been pretending they are the teacher reading to the class.

In Writing, students are working hard to complete their good copy Information Reports.

In Maths, students have been exploring 'time' and creating their very own clock faces.

Inquiry

As part of 'Earth and space sciences' students have been exploring, identifying and presenting Earth's natural resources in groups!

Friday Fun Write

This week's Friday Fun Write topic is 'I wonder what the clouds see from the sky' based on our Science focus for the week. Please remember to 'Talk it up' at home to help students plan for their writing.

Friday Fun Write:

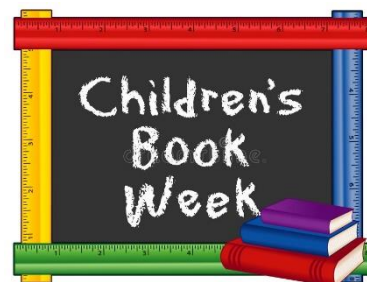

I wonder what the clouds see from the sky?

This week we are focusing on using descriptive words to add more detail to our writing.

Book week

Next week is Book week! Wednesday 25th will be our whole school dress up day with the theme being 'Old words, new worlds and other worlds'. We can't wait to see the students all dressed up for the occasion.

1/2 Learning Team

3/4 LEARNING TEAM

Excursion

Due to the current lockdown in Melbourne the excursion to the Museum and the Imax Theatre has had to be postponed. Unfortunately, there are no other dates available this term. We are hoping that we will still have the opportunity to go in Term Four. We will let you all know as soon as possible when we are able to lock in a new date.

Inquiry

Just a reminder that classes are still hoping for some donations of shoe boxes. If you have any shoeboxes that you can donate that would be fantastic.

Camp Hill Internet, Email & Computer Access Code of Conduct:

Please ensure that students and parents fill out their computer Code of Conduct and return them to their classroom teacher as soon as possible.

Book Week

Next Wednesday 25th is Book Week! This year our theme is:

'OLD WORLDS, NEW WORLDS, AND OTHER WORLDS'. Students can dress up and bring a book in to share!

Unfortunately, with COVID restrictions we will not be able to have a whole school parade or parents attending.

Latrobe Pre-service teacher

The 3/4 team would like to welcome Allana Swatton who is a fourth year Latrobe pre-service teacher. She will be teaching with Mr Barri in 3/4A for this week and next week.

3/4 Learning Team

5/6 LEARNING TEAM

Camp Norval

Last week we went to Camp Norval in Halls Gap. We had a wonderful time. Here are a few highlights from the students. We had a lot of activities which were, abseiling, high ropes, night walk, movie night, mini golf, zoo and initiatives. My favourite activity was probably high ropes. It was because I got to go first and it was really fun.

Basically, it's where you are attached to a harness and then you climb up a ladder and steps, then you can walk on something (I walked on a log and this tight rope like thing.) There were another 2 things in the activity which were the leap of faith then a tight rope that you swing on. I did the leap of faith, it's where you're still attached to a harness but you climb up then jump onto the bar. I didn't make it, sadly. On average they were all so fun! **Emma**

The food was really good because for dinner we got chicken Parma and chips and we got jelly and cake for dessert for lunch. On the 2nd day we had pasta and for both breakfasts we got bacon and eggs. For the second dinner we had shepherd's pie. **Jack**

Camp Norval was really fun and I recommend it to anybody I see. The food, activities, nights and days were great and I would definitely go back there. If I didn't go but knew what I could have done at camp, I don't think I could survive. **Mietta**

5/6 Learning Team

LOTE

Prep

Students enthusiastically discussed what they have known about giant pandas, such as the family, appearance, habitat, and diet of giant pandas. They found out some fun facts about giant pandas. We used different kinds of measurements to help the kids to understand how heavy, how tall, how big pandas are and how much they can eat daily. The kids were very curious about baby pandas and it was hard for them to believe that when the baby pandas are born they are as long as a pencil and as heavy as four glue sticks, considering pandas are 'giant'. They also enjoyed drawing and writing about their pandas.

Grade One and Two

Students discussed the differences between the written form in Chinese language and English. They learnt that Chinese people use symbols called hanzi to represent words. They learnt about the origin of the word big in Chinese and practiced writing big and small in Chinese and used these two adjective words to describe different animals.

Grade Three and Four

Students learnt how to introduce their birthdays and grades in Chinese and interviewed each other in Chinese.

Grade Five and Six

Students learnt about some general information such as location, population, area, population density about Guangzhou, the city that most miners came from during the Australian gold rush period. They also virtually explored the yum cha culture of Cantonese and the early Chinese immigrants' life in Victoria through tracing the Victorians' passion for Chinese cuisine.

Chinese lunch club

Students explored the beauty of Yin-Yang culture using pattern art design.

Yimin Chen

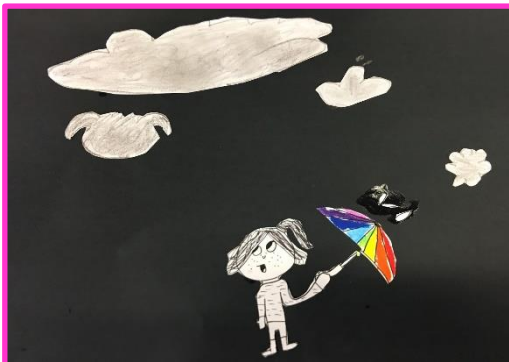

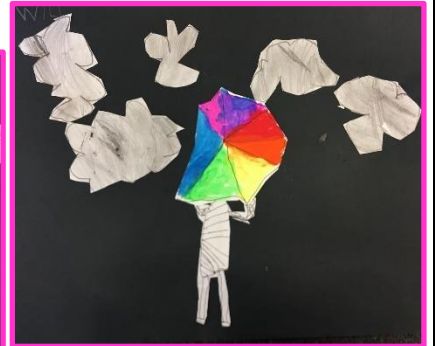

LOTE Coordinator

ART

Junior Art

Nimbus Clouds

Students in Grades 1 and 2 have been studying Earth and Space Science for their class topic and looking at changes in the sky and landscape. In Art we studied different types of clouds, in particular Nimbus clouds. Students used graphite pencils to draw and shade Nimbus clouds. They drew a rainbow umbrella using colour sticks and a person using fine liners. These were cut out and collaged to create some cute rainy day compositions.

Sandy McLennan
Art Coordinator

HEALTHY EATING

EAT SMART/BE SMART

Did you know that two recent Australian studies have linked healthy eating to higher Naplan scores? Students who ate vegetables every night achieved NAPLAN scores that were an average 86 points higher in writing than those who steered clear of their greens.

Eating vegetables had a significant impact on students' performance in all areas of the NAPLAN test, except for numeracy.

Children should be eating at least five serves of vegetables a day and two serves of fruit.

Remember to pack or help your child to pack a healthy lunch everyday so they can learn, play and stay focussed all day at school.

Please make your lunch boxes 'nude'. Eliminating wrappers and plastic is easy once you start the habit!

These foods should NOT be brought to school because of their poor nutritional value: all lollies, chocolate, chips, twisties, cheezels etc.

Sandy McLennan

Healthy Eating Coordinator

PERFORMING ARTS

Foundation

Students acted out the song 'Five Green and Speckled Frogs'. They used instruments to make a percussive 'swamp' soundscape.

Grade 1-2

Students have accompanied 'In the Jungle' on the xylophones. They learnt the 'Canoe Song' and looked at traditional Canoes from Indigenous Americans, Aboriginal and Torres Strait Islander canoes as well as Dragon Boats.

Grade 3-4

Students learnt about rivers this week and learnt to play 'Peace like a River' on the recorder. Students are learning to read the rhythm and pitch notation.

Grade 5-6

Students have started to write their own lyrics. The students wrote their own word lotus and used that to start 'rap talking' this week.

Mary Thorpe

Performing Arts Coordinator

SHORT CIRCUS

The Grade 1/2 workshops will recommence next term, apart from one session tomorrow learning juggling. The Allstars are going to have to work hard for the following Fridays to catch up and be prepared for the State Schools Spectacular. Unfortunately we are many weeks behind due to lockdowns and changing Grade 5/6 camp dates.

The Victorian State Schools Spectacular is taking place on 11th September at John Cain Arena and Melbourne Park. The show involves over 3000 Victorian State Schools students and features many forms of performance and sometimes even sports!

We need four to eight parent volunteers to accompany the students to the State Schools Spectacular, either Friday or Saturday or both days. Please let me know if you are available to help - There will be an excursion notice where you can indicate your availability.

What: State Schools Spectacular.

Where: John Cain Arena, Melbourne.

When: Friday 10th (rehearsal) and Saturday 11th September performance

Times: To be confirmed *(both will be long days)

Meet: Camp Hill Primary (bus)

GREEN TEAM

Giant Plant Sale! Grow Cup return.

The Green Team with the support of Mrs McLennan and Mr Butler are having another Plant sale fundraiser.

Saturday 9th October at the Bendigo Farmers Market.

We are encouraging people to reuse pots or make Grow cups from your old take away coffee cups. Start planting now! Mrs McLennan and the Green team potted up some Grow cups at school in preparation for the stall.

BLOKES BREAKFAST

A cartoon illustration of a man with a beard and brown hair, wearing a blue long-sleeved shirt with a red heart emblem and a red cape. He is holding a young girl with long brown hair, wearing a purple tank top and black shorts. They are standing against a blue sky with white clouds. The text '2021 BLOKE'S BREAKFAST' is written in large, bold, red letters. Below the title, the date and time are listed: 'Friday September 3rd', '7:30 - 8:30am', and 'School Gym'. A paragraph of text follows: 'Come and enjoy a FREE breakfast with your Dad, Stepdad, Grandad, Uncle or other special male!'. At the bottom, a bullet point states: '• Please note this event is dependant on COVID-19 restrictions'.
