FUNDRAISING COMMITTEE

Silent Auction

To raise money to upgrade our junior school playground we are seeking donations for our Silent Auction.

The success of this event greatly depends on the support and generosity of our school community. We understand that COVID has affected many, so we understand if it is difficult at this time.

If your business can in any way support our school by means of a donation in the form of a product or voucher, this would be greatly appreciated **OR** if you are able to purchase vouchers for goods and services from local businesses to donate to our auction, they will be warmly received.

All donations will be publicly acknowledged and we encourage you to take a look at our [Silent Auction Facebook page](#) to see how we have promoted auction items in the past.

Thank you for your support.

Please indicate below if you are donating or you know of a donation and please email to the school.

HEALTHY EATING

Sugarbyhalf.com

Check out this great organisation with lots of information and digital resources for children on how to reduce your child's sugar intake and protect your whole family's health. Excessive sugar is connected to many health problems including obesity, tooth decay, chronic diseases and Type 2 diabetes. It is also addictive.

"**SugarByHalf** is a not-for-profit, independent organisation, led by a team of health experts and business professionals who are also concerned parents. We are passionate about a future for Australia where people live better, stronger and healthier lives through the reduction of [sugar-related diseases](#)."

Their aims are:

- To educate Aussie kids and families
- To restrict junk food marketing aimed at kids
- **Lobby for transparent food labels**
- To engage communities.
