Purpose of Camp Hill Primary School is to develop and nurture lifelong learners within an engaging, global learning community, where the uniqueness and contributions of individuals are valued, shared and celebrated.

Following are the **core values** in which we strongly believe; they underpin our purpose and are the guiding principles of our school.

Caring: Being kind, helpful and sympathetic toward other people.

Honesty: To always tell the truth.

Confidence: Believing in yourself and others.

Respect: Recognising the rights, feelings, wishes and individual differences of others through our speech and manners.

Trust: Safely express opinions, beliefs, thoughts, and feelings in a secure environment.

PRINCIPAL'S REPORT

COVID Up-Date

In the last week we have seen a significant drop in the number of positive COVID cases reported to the school. This is really great and potentially reflects the situation in the broader community. This provides the opportunity to wind back some of the existing restrictions which have seen students not meeting as a collective. It is hoped to have our assemblies return to the Senior turf area in coming weeks. For some of our students in the Junior Department, this will be a new experience as we have not met as a whole school for nearly 2 years. The emphasis on hygiene and ventilation will still remain in classrooms, as will the use of air purifiers. Density limits in classrooms will also remain in place, as will the pickup and drop off protocols. The school will continue to monitor numbers and respond appropriately, parents will be kept informed of any changes.

Census Day and 2023 Enrolments

Tomorrow is our midyear Census Day. The census helps to identify projected enrolments for 2023. If your child will not be attending Camp Hill Primary School in 2023, we would appreciate you letting the office know as soon as possible

Values Champions

This week we celebrate the achievements of the following students who have been awarded 25 stickers for displaying the school values: Isabella C, Samar W, Sulaymaan A. These students will be presented with their certificates at the remote assembly on Friday.

FOUNDATION LEARNING TEAM

100 Days of School

A huge thank you to everyone for your effort in organising and celebrating 100 Days of School with us on Friday! We had such a fantastic, enjoyable day and the students were absolutely incredible all day.

What's Been Happening This Term?

Students are immersing themselves in our Inquiry topic this term and are absolutely loving it - 'How do Living Things Survive?' We are learning all about animals, habitats, lifecycles, plants and so much more. We are currently creating a 'Who am I?' book for writing. Students have chosen an animal to research and explore, with each page revealing a part of the animal before a final reveal on the last page. Students are asking to do writing during all parts of the day. To finish our 100 days of school celebrations, students have been finding 100 things each day and looking at the difference between some objects, like lego, blocks, rice and pasta. They have been working in pairs to count 100 objects effectively, by grouping them or counting them all before a final double check to prove that they have 100!

Foundation Learning Team

1/2 LEARNING TEAM

Maths

This week we have continued our focus on multiplication. Students have been making arrays from open ended questions and with items in nature.

Inquiry

Last week, students compared their baby photos to their 2022 school photos. They were able to see what changes have happened over time. This week we have been learning about animal groups and their habitats.

Book Week

Our book week parade is on Wednesday 17th August. Students can come dressed up as their favourite character from a book.

Date: August 24th – 26th

Cost: \$290/child

Place: PGL Adventure Camps Campaspe Downs

A deposit of \$100 was required by Friday 22nd July (if you have not paid a deposit please do so asap). Then regular payments can be made until the 19th of August when the payment is due in full. You should have received a pink note from the office letting you know the amount of money you need to pay for camp (minus any credits/CSEF).

If you haven't received a pink note, please contact the office asap to get your final figure.

Thank you to all the families that have returned camp forms. If you have not returned forms, please send into your classroom teacher asap.

Athletics

What a wonderful day filled with fun! All students tried their best and enjoyed a participating in a variety of sports. Some students will be participating in District sports next Tuesday. Thank you Mr Shannon for organising such a great day!

3/4 Learning Team

5/6 LEARNING TEAM

LIT Club

Can all Grade 6 students please ensure they have completed their reading for LIT Club before their next meetings. This will ensure rich discussions are had on the day and give them all the opportunity to share their thoughts.

Weeroona Band

Last Friday we were lucky enough to have a visit from some past students who played for selected Grade 6 students. It is always fantastic to see familiar faces and see how far they have come. It was a great morning.

Athletics

Once again we congratulate all the students who attended athletics and put their best efforts in on the day. Selected students are now off to the next stage of athletics on Tuesday.

5/6 Learning Team

LOTE

Prep

Students learned a new song called 'Two Tigers' and they enjoyed the singing and dancing activities a lot.

Grade One and Two

Students learned some opposite words in Chinese and they showed great confidence in their speaking and reading. A Chinese reader called 'Look, What Is This' was sent home and students were encouraged to read the book to their family.

Grade Three and Four

Students learned some new vocabularies relating to sports and they engaged in learning new words through different learning activities such as charade and musical chair game.

Grade Five and Six

Students learned how to express their preference for pets and animals through different games. They did a great job in translation and speaking.

FRESH FRUIT FRIDAY

The free fresh fruit students receive on a Friday is proudly donated to the school by the following sponsors:

PHYSICAL EDUCATION

District Athletics

This coming Tuesday August 9th, the Sandhurst Deborah District Athletics will be held at Latrobe University athletics track in Flora Hill. A group of around 40 Camp Hill students will attend these sports and compete against students from other schools in our District. Families and friends are more than welcome to come along and support the kids. Good luck to those competing and thanks to families for their support with this event.

Well Done Azia!

After swimming in the Primary School State Championships earlier this year Azia has continued her amazing form in the pool with her recent Victorian Country Swimming Championships, producing some fantastic performances. She did very well, winning three gold, two silver medals and a 4th place. Azia had personal bests in all her six individual events. Gold in 50m Butterfly, 100m Individual Medley and 50m Freestyle. Silver in 50m Backstroke and 100m Freestyle and 4th in 50m Breaststroke. Azia will be competing in Melbourne in the Victorian Open Short Course Championship in a couple of weeks. We wish her all the best for this upcoming event. We are very proud of you Azia!

STUDENTS OF THE WEEK

CONFIDENCE

Nash M: For putting in such a great effort with his Lit Club and reading in general.

Fleur R: For giving math tasks a go without hesitation and showing confidence when creating arrays. Well done Fleur!

Mianna S: For showing confidence and positivity in her return to Camp Hill PS. Great work Mianna!

Khoen F: For showing excellent confidence in his learning in maths this week. Khoen worked hard to create an array to show his thinking. Well done Khoen!

TRUST

Ryan P: For putting his best efforts into his work and extending himself during maths lessons and Home Learning

Sydney K: For always being so organised in and out of the classroom and using her initiative to help support the classroom

PERFORMING ARTS

What's new this week? Each week students rehearse and revise prior learning as well as practice new material.

Foundation: Students learnt to play the singing game 'Ickle Ockle' and 'Three Jellyfish'. We are currently exploring animal songs and dances, including how to represent their characteristics and movements.

In this photo Prep B are revising one of their favorite songs 'Old King Glory'.

Grade 1-2 Each week the Grade 1-2 students start the lesson by practicing acro balance.

Students are exploring the compositions of Carnival of the Animals by listening and responding with movement.

The students are progressing towards juggling with three scarves.

Grade 3-4

Students are exploring drama exercises. They are progressing with their recorder skills too. The students learnt the new note 'D'. The students are playing outside as a covid safe measure.

Grade 5-6

Students are gaining confidence in their drumming skills. They are learning rudiments, fills and the rock beat.

BSE and Weeroona College have visited Camp Hill to meet The Grade 6 students who are transitioning to High School in 2023.

The Academy of Creative Arts, BSE came to demonstrate their extracurricular programs to potential students.

Weeroona College brought two of their rock bands to perform for our students - 3 ex-Camp Hill students were the stars of the show! There are great Performing Arts programs at every high school in Bendigo. There are costs involved for music lessons but these are heavily subsidised. Our students are well placed to choose a band or orchestral instrument, to join dance and drama programs in High School and I encourage all students to go further in these fields. If you have any queries about your child's Performing Arts transition, please contact me anytime.

SHORT CIRCUIS

This Term in Short Circus, the focus is on the VSSS. The Allstars are performing as part of the VSSS. Next term we will return to Grade 3-6 Short Circus.

The Academy of Creative Arts (ACA) at Bendigo South East College aims to nurture the creativity, artistry and scholarship of students. ACA is a development program that educates students to achieve excellence and mastery as performers, creators and makers, explorers and responders, and scholars, enriching through the immersion in the studies of The Arts: music, dance, drama and visual arts.

For further information please see the College website or email Mackenzie Knight (Administration Support) aca@bse.vic.edu.au

Applications Due - September 5th 2022

SPECTACULAR

We are proud and excited to have our Short Circus Allstar students participating in the *2022 Victorian State Schools Spectacular*. The Spectacular brings together government school communities from across Victoria to produce a three-hour live show – involving music, dance and circus arts – which will be performed to an audience of around 12,000 people at John Cain Arena on Saturday 10 September over two shows at 1pm and 6:30pm.

Talented Victorian students will feature on stage, while many other students will work behind the scenes, gaining unique, on-the-job, professional experience.

The Spectacular is a creative vision of industry professionals including Creative Director Neill Gladwin, Musical Director Chong Lim AM, Dance Director Deon Nuku, (Scooby Doo, Happy Feet, Moulin Rouge) and Associate Dance Director Yvette Lee, (Dancing with the Stars, X-Factor Australia, Australia's Got Talent and So You Think You Can Dance).

For a fun, family entertainment experience, and to cheer on our students from the audience, be quick to secure tickets when they go on sale at **10am Wednesday 15 June** via www.ticketek.com.au/spectacular

Adult: \$40

Child Under 15: \$20

GREEN TEAM

This week we want to talk to you about how your waste can impact the animals and their habitats. Let's start with sea creatures:

* Our litter and our landfill can blow away into creeks and rivers that flow into the ocean. This gets into animals' stomachs which makes them very very sick and some sea animals may die.

Now let's talk about birds!:

*Our plastic get piled into a big ginormous heap for us to forget about, when birds are flying around in the sky they see these piles and think they are food! When they try to eat them they can get stuck on their beak or somewhere much worse like in their windpipe or mouth.

In conclusion, please try wherever you can to reduce waste and recycle your plastic whether it's at home or school. At Camp Hill we have nude food every day. Students are encouraged to leave their plastic wrappers at home to be recycled. Here's a great nude food idea from Mitchel who has a wrap for lunch that is held together with a rubber band. What a great nude food idea!
