Purpose of Camp Hill Primary School is to develop and nurture lifelong learners within an engaging, global learning community, where the uniqueness and contributions of individuals are valued, shared and celebrated.

Following are the **core values** in which we strongly believe; they underpin our purpose and are the guiding principles of our school.

Caring: Being kind, helpful and sympathetic toward other people.

Honesty: To always tell the truth.

Confidence: Believing in yourself and others.

Respect: Recognising the rights, feelings, wishes and individual differences of others through our speech and manners.

Trust: Safely express opinions, beliefs, thoughts, and feelings in a secure environment.

PRINCIPAL'S REPORT

School Council Elections

Nominations for the remaining vacant School Council positions close tomorrow at 4.00pm. Nomination forms can be collected from the office. If you would like a little more information about School Council, please feel free to contact me.

Whole School Assembly

It has been great to see parents and friends attending our whole school assemblies. Our assemblies are open to members of the school community and are held each Friday on the covered at the rear of the school at 3.00pm.

Students of the Week

I have been absolutely thrilled with the number of students who have received Student of the Week certificates in recognition of their commitment to displaying the school values through their learning and relationship with others.

Parenting Tips

How have the kids been since returning to school? We know the back-to-school routine can be tiring, no matter their age. It often takes a few weeks for them to settle back into a routine, and during this time they may be irritable, there might be some tears, mood swings or tantrums.

For these few weeks you may need to adjust your expectations, and work with them to settle back in.

Top Tips

1. **Create a calm and relaxing space** for them to chill out when they return home from school.
2. **Sleep, sleep, sleep.** It's very important, make sure they are getting ample sleep. You might need to adjust their bedtime to a little earlier than normal.
3. **Show them unconditional love.** Even when they are testing your patience. "I know it's been a very long day. I love you. Let's take a breath and start over."

Dad joke of the week

"When I get into work I immediately hide...Good employees are hard to find."

Early Bird Awards

Congratulations to **Foundation A, Foundation B, 1/2C, 3/4C, 6A & 6B.**

You were the grades with no late arrivals this week.

Early Bird champions – well done and it's great to see the senior grades leading the way.

This is a fantastic effort 😊

100% attendance for Week 4

This week there were **219** students who had 100% attendance this week – another great effort!

Well done to **Ryder** from **1/2C** who was the Attendance Hero champion for this week.

Who will it be next week?

Total number of student absence days Term 4	68 days
Current school absence rate Term 4	0.52 days per student
School absence rate target for 2023	10.00 days per student (2.5 days per term)

WELLBEING MATTERS

Back to School

Term 1 has got off to a flying start and I'm sure many families are managing back to school routines and responsibilities. Here are some ways to support your child:

Check in on Feelings

When children (and adults) tune in to their emotions they tap into information that assists them with decision-making, learning and their wellbeing. It's relatively easy to tune into behaviour and our thoughts, but much harder to detect our emotions. The skill of emotionally checking in helps children to identify how they are feeling at any given time. One way to do this is for kids to stand or sit still, close their eyes, take some deep breaths, and identify and give a name to their feeling. This habit of checking, once practised and learned, is a wonderful life skill to acquire and develops their social/emotional capabilities. More information on tuning into our own, or our kid's emotions can be found at www.gottman.com (Emotion Coaching).

Practise Deep Breathing

Research shows that deep breathing instantly engages our capacity to relax and stay calm. When a child becomes anxious or fearful their breathing becomes shallow. Taking deep, slow breaths when they become overwhelmed by worries or fear is the quickest way to return to a state of calm. The easiest breathing exercise to practise with your child is the 4-4 method: count to four on the in-breath, and 4 on the out-breath. Other exercises can be blowing bubbles slowly, blowing up a balloon, or using an app like Smiling Mind or Calm.

Keep Routine

Routine behaviours such as waking at the same time, having breakfast and getting dressed gets us ready for the day ahead. They underpin productivity, learning and wellbeing. Remove or drastically change these routines and many children (and adults) struggle, particularly those who are prone to anxiety and depression. While it has been difficult at times to maintain our "normal" routine, it is important to establish some sort of routine that works for your child and family at the moment. Routines can be adapted, and this also helps children build resilience (their ability to cope with change). One important routine is our sleep routine. The benefits of good sleep routines are enormous and impact children's learning, memory and emotional stability. Sleep restores the brain to optimum condition and rejuvenates the body, allowing hormone levels to stabilise. Sleep-deprived children experience greater anxiety doing routine tasks and have a propensity for pessimistic thinking, which is associated with anxiety and depression. It is not just how long we sleep for, but the quality of our sleep that determines if we are functioning well.

Enjoy Play and Time Outdoors

Play is absolutely critical to our happiness and wellbeing.

Play helps kids manage emotions such as worries and sadness as it lifts their mood and is therapeutic by nature. Play can be any activity that children find fun and don't want to stop. Drawing, Lego, craft, jumping on the trampoline, dolls, sport – the list is endless.

If some play time can be spent outdoors then our happiness and sense of wellbeing is greatly impacted. Spending time outdoors reduces stress and tension.

FROM THE OFFICE

WWC -Working with Children Cards

A friendly reminder if you wish to participate in anything at school including e.g. excursions and reading – a current WWC card is required. To obtain a card, go to:

<https://www.workingwithchildren.vic.gov.au/individuals/applicants/how-to-apply-1> Please make sure you add "Camp Hill Primary School" in the ORGANISATION section so the school receives a copy.

A Child Safe information pack is also required – these can be collected from the school office.

CSEF – Camp Sports & Excursion Fund

If you hold a NEW current Centrelink Concession card, please let the office know asap as you are eligible to claim a \$125 payment per child. This payment comes directly to the school and cannot be used for school fees - only camps, sports and excursions. If you have claimed last year – we will automatically claim again this year on your behalf.

Whole School Photo Day

Our Whole school photo day will be on **Wednesday 15th March**. More information from Leading Image Photography will be available soon for families to go ONLINE to make payments.

OSHC

2023

We have started the year with very strong numbers at OSHC, with many new families starting, we welcome all our new families. We currently have our children's leadership applications open for all age levels, this initiative was a successful addition to our OSHC program in 2022 with great feedback from children and parents, and children asked for it to be continued again this year.

Accounts

To help our new families understand our accounts, families will receive account emails on a Monday for the start of a new fortnight and another email on the Friday, being the last day of the fortnight and the due day for accounts to be paid. All accounts must be paid in full each fortnight. Thank you.

Bookings

For bookings for OSHC please either call or text on 0409 549493 or email us at oshc@camphillps.vic.edu.au or speak with one of our friendly staff at our OSHC office located in the gym.

FOUNDATION LEARNING TEAM

Literacy

Thank you to those parents who have notified us of their availability. If you would like to volunteer for this program, but haven't please let us know.

Numeracy

Numbers 1-10 are our focus in numeracy. Students will enjoy counting with you at any opportunity.

Brain Food

We have a short brain break mid-morning where students can eat fresh fruit and vegetables. Please ensure your child has something in their lunchbox to eat for this break. It can be as simple as a banana or some grapes.

So far, we have focused on letters 's' and 'a'. Next week we will look at 't'. Enjoy your little letter detectives discovering these focus letters in print anywhere there is writing!

The Letter A

Today the students had lots of fun making ants – walking ants, because ants start with the letter A.

Foundation Learning Team

1/2 LEARNING TEAM

Jets Gym Parent Volunteers

We are looking for parent helpers who will be able to volunteer their time for our Jets gym excursions. We will be attending the gym on Tuesday 28th February and the 7th, 14th and 21st of March. 1/2A and 1/2C will be attending from 10.30-11.30am and 1/2B will be attending from 11.30-12.30pm.

Home Reading

Students have been sent home with levelled readers in their reader pockets. Students are encouraged to read 1-2 books each night and for their yellow reading journals to be filled in. This will help students improve their reading skills.

Maths

We have been learning about ordering numbers and number patterns this week in maths. Students are encouraged to practise their forwards and backwards counting, along with their 2s, 5s and 10s skip counting patterns.

1/2 Learning Team

3/4 LEARNING TEAM

Parent Helpers

We are seeking parent helpers with current Working with Children's Checks to attend weekly sessions for gymnastics. If you would like to attend, but don't have a WWC it is about a two-week online approval period, so you still have time to get one. If you do have one, please make sure you have collected a Child Safe Standard Policy info pack from the office. PLEASE CONTACT YOUR CLASSROOM TEACHER ASAP IF YOU CAN HELP!

Lessons commence:

3/4B – Tuesday 27th February, 3/4A, C and D – Thursday 2nd March

Goals

This year Reading, Writing and Mathematics goals will be placed into a google document in your child's Google Classroom. Teachers will forward your child's Google Classroom login details via Class Dojo. You can access these goals at any time and we will send reminders home when new goals are set. Writing goals will be available next Friday 24th February.

5/6 LEARNING TEAM

School Captains

On Tuesday 17th February, Grade six students gave speeches explaining why they should be one of our four School Captains this year. All the applicants should be very proud of their efforts in creating and giving their speeches. Thank you to all 17 applicants for putting themselves forward.

The senior classes then voted on who they thought should get the important roles.

Congratulations to Pax B, Jack M, Inca B and Liberty L on being our School Captains for 2023. They will be taking their very first assembly this Friday.

JETS Gym

Jets will begin the week of Monday 27th February and will continue for 4 sessions each week. Thank you to those who have already provided permission for this event via Sentral. Some classes might be looking for a parent helper so if you are available to come along - we would love to hear from you, please contact the classroom teacher.

6A & 6B Monday at 12.30pm, 5A Tuesday at 11.30am and 5B Thursday at 9.30am

VISUAL ARTS

Prep Art

The Foundation students are already beginning to learn how to work independently in Art. They need to be able to get ready for Art lessons by putting on their own Art Smock, collecting their Art materials, finding a work area, persist with their art work for a sustained period of time, clean up their area and place their artwork on the drying rack.

Students in Foundation A did a wonderful job this week and produced some very bright happy artworks using black oil pastel and coloured inks about their first day at school. We talked about items they brought to school, who did they see or meet and what did the school look like. They were asked to include this in their artwork.

Art Smocks

Students in Grades Prep to Grade 2 are expected to have their own Art smocks to be kept in a tube in their classroom. If you think your child has left their smock from last year you are welcome to come to the Art Room Monday-Wednesday and search through the spare tub as lots get left and mixed up. Students in Grades 3-6 are encouraged to have their own smock to keep in their locker. Otherwise, they can use one from the spare smock tub in the Art room.

Donations

Small boxes, cardboard rolls (not toilet), wool balls, ribbons, old toys bits and broken dolls (used for sculptures), old cards, old calendars, old playing cards, old jigsaw pieces are welcome donations in the Art Room.

HEALTHY EATING

Healthy Eating Policy at Camp Hill Primary- Please read.

These are the guidelines that we ask parents to please follow. Please do not send unhealthy food such as chips, lollies or similar to school. Water only to be brought to school.

Guidelines for Action

- Children are strongly encouraged to bring only healthy food to school, for snacks and lunch.
- In line with the school's Anaphylaxis Policy school community members are not encouraged to bring nuts to the school.
- Lessons relating to healthy foods and healthy eating will form part of each child's annual Health & Physical Education studies.
- All classrooms will encourage students to bring clearly named plastic water bottles into the room and students will be given unlimited access to water throughout the day. Water bottles must not contain drinks such as cordial juice or sports drink – water is the only acceptable drink.
- Staff members will be encouraged to model healthy eating habits whilst at school.
- Students will be encouraged to bring healthy snacks as brain food (fresh fruit and vegetables) into the classroom. They will be encouraged to eat throughout the day unless it is deemed by the classroom teacher to be inappropriate to do so.
- All students will be educated on the importance of not sharing foods or water bottles.
- Whole school activities will be conducted that support 'Healthy Eating' as defined by the Victorian Prevention and Health Promoting Achievement Program.
- Confectionery and high sugar drinks such as soft drinks, energy drinks and flavoured mineral waters are excluded from the Friday Lunch Order System. School community members are not encouraged to bring these items to school.
- Families are informed of the healthy foods policy and are provided with information to meet this policy requirement through information evenings, school information booklet and newsletter.
- The school will participate in the DEECD 'Free Fruit Friday' initiative, which provides all Prep, Grade One and Grade Two children with a piece of fresh fruit every Friday.
- To maintain a lolly free status, school community members are not encouraged to bring confectionary to the school.

LOTE

Foundation

Students loved the circle time saying hello to friends and introducing themselves in Chinese using funny voices. They learnt a greeting song in Chinese and showed great confidence in performing the song in groups. They enjoyed viewing the cartoon based on one of the four Chinese classical literature novels 'Journey to the West' and were able to retell the story and started to make predictions about characters and the story. Here is the link of the 'Hello' song: <https://www.youtube.com/watch?v=96ZzzwPdNhM>

Grade One and Two

Students developed vocabulary of Chinese with sign language. They engaged in the speaking and listening game, such as listening to the voice to guess the animals and guess what is missing.

Grade Three and Four

Students will work on the book 'Brown Bear, Brown Bear, What Do You See?' this term and therefore they further developed a few vocabularies of colours. They showed confidence in Chinese structured conversation, sharing ideas about their preferences on colours.

Grade Five and Six

Students explored the Chinese New Year celebration through rapping the Chinese New Year traditions in Chinese.

PHYSICAL EDUCATION

Foundation, Grades 1 and 2

This was our last week focusing following instructions and learning new rules to be successful and safe in PE. Students enjoyed a range of games that required them to practise spreading out and being aware of their surroundings. Students played with basketballs with a strong focus on bounce and catch. Their Favourite new game this week was 'Hot Dog Tiggy' where two 'buns' had to save the 'hot dog' once they were tagged, by lying down beside them.

Next week we begin PMP (Perceptual Motor Program) where students will work with a partner to take turns whilst enhancing their eye/hand and eye/foot coordination, fitness, balance, locomotion, memory, directional language and eye-tracking skills. Exciting new equipment has been purchased to engage our students in developing important motor skills through moderate intensity movement and play.

Grades 3 to 6

This week students in Grade 3-6 were introduced to the 11 Fundamental Motor Skills (FMS). The 11 FMS students will focus on in Semester 1 include; run, dodge, leap, vertical jump, catch, overhand throw, soccer kick, punt, ball bounce, forehand strike and two-hand strike.

Developing a richer understanding of how to perform each skill gives our children at Camp Hill increased confidence in fundamental motor skill competence that influences students in many ways. By far the most important reason I provide engaging opportunities for students to practise and refine each skill in PE, is to increase the likelihood of building a love for life-long health related physical activity, fitness and the ability to apply these skills in a large range of sports.

This week we began with breaking down the steps involved when performing a soccer kick. At home you can discuss the 11 FMS. Try asking your child "What sports does each skill relate to in our local community?" Or, challenge them to list all 11!

Grade 3/4 Tennis Clinic

Exciting news for students who have PE in Grades 3/4 on Tuesdays! Steve Storer will be running a 4-week tennis clinic to help engage students in local community sport. Funding from 'Positive Start' will also cover the cost for an excursion in week 9 to Nolan Street where students will have their final session!

What is the Classroom to Court Program?

Tennis Victoria will roll out its Classroom to Court Initiative - a program designed to help with the transition from school-based play to club-based play.

The Tennis Victoria "Classroom to Court" program is a 4- week school-based program, aligned to curriculum and delivered by a local provider with the final week being a fun, welcoming and inclusive event at the local tennis club. Through this link, we will look to create ongoing connections between club, school and participant post program completion. Equipment will be made available, where required. The program can be run for classes of up to 30, from grade 3 all the way to year 10.

Join Parents & friends Group

Camp Hill Parents & Friends Group

What we do:

Camp Hill Parents and Friends has been established to contribute to the vitality of the school community by:

- Encouraging participation in the life of the school;
- Creating opportunities for parents and guardians to get to know each other; and
- Organisation of fundraising activities including social events.

How can I be involved?

- You can be a member of the committee where you attend a monthly meeting and help make decisions on fundraising and social events, or
- You can be a class representative who helps organise a small number of events during the year, or
- You can simply be part of our school community who attends events and participates in fundraising activities

Our Activities:

- **Friday Lunch Orders**

We need 2-3 helpers every Friday between 12pm - 1.30pm to help prepare and distribute lunch orders. You can just come on the odd Friday when you are free, or commit to a regular schedule.

- **Social Events**

We need helpers to arrange social events throughout the year such as End of Term picnics, Trivia nights, Fundraising dinners, Movie nights and more!

- **Other Fundraising Activities**

We need helpers to facilitate other activities like our Annual Bulb fundraiser, Mango Drive, Pie Drive, Bunnings BBQ, Silent Auction and more!

Sign me up!

Please indicate your level of interest by ticking the appropriate box/es below, detach and return the slip to the office where you can complete your membership registration and collect a copy of our constitution (if applicable) by **WEDNESDAY 15th FEBRUARY 2023.**
