## PRINCIPAL'S REPORT

### School Review

Yesterday was the first of the school review days, the panel met and discussed the school's data over the past 4 years, undertook classroom observations and met with representative student groups to ascertain their engagement with learning. Next Wednesday the review panel will interview a parent group and the staff to ensure the entire school community has had representation.

## 2023 PARENT/CAREGIVER/GUARDIAN OPINION SURVEY:

### WE WANT OUR PARENTS/CAREGIVERS/GUARDIANS TO TELL US WHAT THEY THINK!

Our school is conducting a survey to find out what parents/caregivers/guardians think of our school. The Parent/Caregiver/Guardian Opinion Survey is an annual survey offered by the Department of Education that is designed to assist schools in gaining an understanding of families' perceptions of school climate, student behavior, and student engagement. The survey is optional but we encourage all families to participate. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

All families are invited to participate in the survey.

The Parent/Caregiver/Guardian Opinion Survey will be open from **Monday 7 August to Friday 8 September 2023**. The survey will be conducted **online**, only takes **20 minutes** to complete, and can be accessed at any convenient time within the survey period on desktop computers, laptops, tablets or smartphones. The online survey will be available in English and 10 other languages including Arabic, Greek, Hakha Chin, Hindi, Japanese, Punjabi, Simplified Chinese, Somali, Turkish, and Vietnamese.

Log on details have been sent to all parents via the Sentral App.

Please contact the principal if you would like more information.

### Values Champions

This week we celebrate the achievements of the following students who have been awarded 25 stickers for displaying the school values: Jackson M, Samar W and Jasper W. These students will be presented with their certificates at the remote assembly on Friday.

## SLEEP TIPS FOR CHILDREN

- 1 Establish a regular sleep pattern
- 2 A consistent bedtime routine
- 3 Make sure the bedroom is comfortable
- 4 Bed is for sleeping, not entertainment
- 5 Some foods can disturb sleep
- 6 Caffeine is a stimulant
- 7 Take care with daytime naps
- 8 Exercise and time outside
- 9 Work with your doctor
- 10 Specific sleep-related issues in children

### 5. Some foods can disturb sleep

A high intake of sugary or fatty foods has been linked with more restless sleep. Avoid sugary or high fat snacks before bedtime, as well as large meals. A small healthy savoury snack before bed would be fine.

### 6. Caffeine is a stimulant

Caffeine is found in many popular drinks. These include coffee, tea, cola soft drinks and some chocolate products. It can make it harder to get to sleep. Your child should have as little of these as possible, and certainly not after lunchtime.

### 7. Take care with daytime naps

It is normal for young children to nap during the day. As your child gets older, they will need less sleep. This means they will need to nap less. The number and length of naps depends on your child. If your child naps after 4pm (except for the very young) it can be harder to get to sleep at night.

### 8. Exercise and time outside

Daily exercise is an important part of healthy living. It also promotes good sleep. Time spent in bright daylight does the same. Outdoor exercise achieves both these things. However, it is best to steer clear of vigorous activity in the hour before sleep.

### 9. Work with your doctor

If your child is sick or isn't comfortable, their sleep will suffer. Some children suffer from specific sleep problems such as frequent nightmares, snoring or sleep apnoea. It is important that these problems are dealt with. If you think ill health is involved, discuss this with your family doctor.

### 10. Specific sleep-related issues in children

The Sleep Health Foundation has a range of helpful fact sheets for children with particular sleep problems. These include tips on sleep issues for children with ADHD (see [ADHD and Sleep in Children](#)) or autism (see [Autism in Children and Sleep](#)), as well as more general topics such as bedwetting (see [Bedwetting](#)), childhood snoring (see [Childhood Snoring and Sleep Apnoea](#)), behavioural problems with settling to sleep (see [Behavioural Sleep Problems in School Aged Children](#)), nightmares (see [Nightmares](#)) and sleep terrors (see [Sleep Terrors](#)).

Note: All words that are underlined relate to topics in the Sleep Health Foundation Information Library at [www.sleephealthfoundation.org.au](http://www.sleephealthfoundation.org.au)

#### 1. Establish a regular sleep pattern

Regular hours of sleep are important. It will help your child understand when it is time to sleep. Also, your child will have better sleep. Bed time shouldn't vary by more than an hour across all days of the week – whether your child has an early start the next morning or not. The same goes for getting up time.

#### 2. A consistent bedtime routine

It is good to have the same routine before bed each night. This will help prepare for sleep. Quiet activities are good, such as reading a book or being read to or having a bath or shower. In the half hour before bed, there are some things you don't want your child to do. These are more active games, playing outside, TV, internet or mobile phone social networking and computer games.

#### 3. Make sure the bedroom is comfortable

The bedroom should be quiet, comfortable and dark. Some children like a night light. This is fine. Make sure your child sees the bedroom as a good place to be. You can help do this by not using it as a place for punishment.

#### 4. Bed is for sleeping, not entertainment

TV, computers, mobile phones and other things that distract your child are not good for their sleep. Keep them out of the bedroom. "Noodling" to watch a screen to fall asleep is a bad habit. This can easily develop, but you don't want it to happen. It's also better if you can check on what your child is watching.

For information on over 70 different sleep related topics, written by professionals, visit the Sleep Health Foundation Information Library at [www.sleephealthfoundation.org.au](http://www.sleephealthfoundation.org.au). The underlined topics in this article are covered in detail there.

## RIGHTS, RESILIENCE AND RESPECTFUL RELATIONSHIPS (RRRR)

### RRRR's in the 3/4 Department Topic 5

The 3/4 students were looking at calming and coping strategies this week. Students were encouraged to identify a range of strategies that could be used to help deal with strong emotions. Students practised strategies for calming and coping when upset.

## DOGS CONNECT

Polly is so excited to be back at school after a long break and is looking forward to being back in her school community here at Camp Hill. She spent her holidays going for walks, weekends at the local footy, chasing her new squeaky tennis balls, eating bones, and sleeping. She's refreshed and ready for a fabulous Term 3.

**Polly now has a sponsor! Fur Life Vet** has generously donated a 12-month Best Mates Membership, providing **FREE** vet consultations, vaccinations and dental care for Polly. Fur Life Vet have two clinics located in Bendigo:

167 Eaglehawk Road, Bendigo and 70-80 Midland Highway Epsom.

## STUDENT WELLBEING

Dear Camp Hill Primary School Parent/Carer, we have been offered an opportunity for a one-off free laundry service by Jims Laundry Services.

Just scan the QR code, which leads directly to the contact page of the website. Once there, fill out your details and enter 'CAMP HILL' in the message field to redeem the special offer. Once you redeem the voucher, a franchisee will reach out to you to arrange a suitable day and time for laundry pickup. The laundry will then be washed, dried, folded, and finally delivered back to you at no additional cost. These instructions can also be found on the voucher at the end of this newsletter.

### Bunnings Kangaroo Flat BBQ Fundraiser

The Parents & Friends group will be hosting the Bunnings Kangaroo Flat BBQ on Sunday 20<sup>th</sup> August. Please contact the office if you are able to assist on the day. Also, if you would like to make a donation towards the BBQ to purchase supplies, monetary donations can be made on our QKR app. Thank you for your support.

## OSHC

### Legends Of The Week

This week, we are proud to announce our Legend of the Week Award winners, Sara and Oliver P. Congratulations to you both. Sara is a vibrant and fun personality who loves being at OSHC. Sara has been keeping herself very busy on the art & craft table. Oliver is one of our Gold Leaders and is continually improving his leadership and communication skills and likes to be inclusive giving other children a go in outdoor group games. Well done!

### Pupil Free Day

The school has a pupil free day on Thursday 17<sup>th</sup> August. We are running an OSHC program on this day. The service will be open from 8:30am until 5:55pm. For bookings, please contact either Jamie or Simon via email [oshc@camphillps.vic.edu.au](mailto:oshc@camphillps.vic.edu.au) or on 0409 549 493. This is an out of uniform day but no sandals, thongs or tank tops to be worn, only smart sunproof clothing. Please pack a lunchbox and drink bottle as per a normal day. We will be providing a fruit platter and afternoon snack.

### Accounts

A reminder to our families and carers that Friday 4<sup>th</sup> August is the due date for the current fortnightly bookings. Thank you to those families keeping up to date and having a zero-balance heading into the new fortnight bookings.

#### PYJAMA DAY FUNRAISER - Thursday 7<sup>th</sup> September.

On 7<sup>th</sup> September, the Junior School Council is holding a fundraiser for the Make-A-Wish Foundation – an organisation that changes the lives of very unwell children, by granting them a wish to lift their spirits.

Students can dress up in their pjs, dressing gowns, oodles or slippers, but must wear their usual, school footwear while out in the yard.

You can make a gold coin donation on the day, or preferably via QKR.

We can't wait to see everyone dressed up for this important charity!

You can read Make-A-Wish stories:

## FOUNDATION LEARNING TEAM

### 100 Days of School Celebration next Wednesday 9<sup>th</sup> August

Our '100 Days of School' celebration will be held on Wednesday 9th August.

The day will be filled with lots of fun, 100 based activities to celebrate the 100 glorious days we've spent together!

We invite the students to dress up as if they were 100 years old. This is not intended to be an expensive or stressful event - please just use what you have at home!

By Tuesday 1st August, could all families please send along 100 things in a zip lock bag (eg. pieces of pasta, popcorn, buttons, milk bottle tops, cereal pieces, rocks, leaves etc). Please involve your child in counting these items! If your child can't count to 100, support different strategies (eg. grouping items in 10s or 20s etc).

Items should be sealed, not something that needs to be purchased additionally & will be returned post our celebration. Please avoid sharp items or those that may cause allergies (eg. nuts).

### /th/Digraph

Last week we focussed on the /th/digraph (th makes two sounds, think - thumb & there). Many students were very confused by this digraph - common confusion with the /f/, /v/ & /b/ sounds & many were unable to manipulate their mouths correctly (the tongue must be through the teeth to make this sound).

It is really important that you begin to correct your child as they make these errors as it has direct impact on their ability to decode & recall the digraph in writing. Practicing how to make the sounds while looking in the mirror may assist.

### Jets Gym

In readiness for Jets Gym, we ask that you start preparing your child by having them practice putting their own socks & shoes on/off each day. While we can assist, we are relying on the children being able to complete this age appropriate task independently. Parent volunteer spots are now filled. Thank you for your support!

### Show & Tell

Coming up this week is: My favourite weather.

Students are encouraged to share their favourite climate & the activities they most enjoy in that weather.

### Living Things Ecolinc Incursion

This week we were very lucky to have an incursion on our Inquiry Topic *Living Things*. Ainsley, David and Nicole from Ecolinc brought along lots of living and non-living Vertebrates and Invertebrates for us to investigate (bird/scorpion), pat (fish/frog/platypus) and even hold (leaf/stick insect). We got to look through magnifying glasses and even microscopes.

*Foundation Learning Team*

## 1/2 LEARNING TEAM

### **Grade 2 Camp**

A friendly reminder that payment for the camp is currently available through the QKR app. The finer details of the camp as well as medical and consent forms will be sent home to families within the next week.

### **Maths**

Students have been learning all about division. We have been sharing lots of different things into groups and linking what the division problems to multiplication. Next week we will be learning how to create our own worded division problems to solve.

### **Ecolinc Incursion**

On Wednesday, students were involved in an incursion in the library from Ecolinc. They learnt the differences between vertebrates and invertebrates, what makes something a living thing and went on a scavenger hunt using clues to find different kinds of insects and other small creatures.

*1/2 Learning Team*

## 3/4 LEARNING TEAM

### **Literacy**

This week, the students have been learning about information literacy - skimming and scanning websites and determining if the information they find is suitable for their information reports about animals. In writing, the students chose an animal to write about, gathered information from the Internet and began planning their information reports.

### **Mathematics**

Grade 3/4 has started learning about division: how multiplication and skip counting can help them find the answers to division problems.

A popular game in class has been Goat Crashers, a free game, where children can practise the times tables and solve division equations. Here is the website:

<https://www.abc.net.au/education/goat-maths-goat-crashers/102120794>

### **Inquiry**

This week the students were excited to see that some of their plants have begun sprouting. In an observation diary, they have been writing about how their seeds are changing and what helped them to grow. They have also begun studying flowers, their features and how they grow.

*3/4 Learning Team*

## 5/6 LEARNING TEAM

### **District Athletics**

Congratulations to our Senior students who represented Camp Hill on Tuesday at the District Athletics. We are so proud of you for taking on all of the additional opportunities that are being presented to you this year. The next sporting event is basketball – which many students are very keen for!

### **Transition**

Just another reminder to get your Government Transition letters in to Miss Wallace as soon as possible.

### **Camp**

Camp week is fast approaching. There is an excitement in the air as students eagerly await Week 10! All medical and permission forms should now be back. If your child has dietary requirements that were not listed on the form, please get in touch with your child's classroom teacher as soon as possible. If your child is feeling a bit unsure about two nights away from home, we also ask that you make contact with the classroom teacher so that we can put supports in place.

### **Classroom Learning**

This term, our Inquiry question is 'How does the study of Space contribute to our understanding of Earth'. We are in the thick of learning all about Space, as well as Earth's Natural Disasters. This learning is being extended into the writing curriculum this term, as students will be preparing information reports related to Space. In Reading, we are focusing on the skill of inferring – using text clues as well as our prior knowledge to make sense of information. Maths, at the moment, is all about Multiplication. We have been sharing all sorts of written and verbal multiplication strategies – make sure to share your new learning with your families!

*5/6 Learning Team*

## VISUAL ARTS

### Senior Art-Creative Fossils

Students have been learning about how Science, History and Art interconnect through studying and creating an artistic interpretation of fossils. We learnt how Mt Vesuvius erupted and froze the city and people of Pompei in time. Student created their own full body fossils by imprinting in clay, then pouring liquid plaster over the imprints. After these dried, they were encouraged to pick out details and highlight their fossils to create an effective artwork. Here are some interesting interpretations by Liberty, Lily, Hannah, Ben, Fraser and Cynthis in Grade 6. Students enjoyed this project.

## LOTE

In the Chinese language class, our Foundation students displayed remarkable confidence as they practiced writing Chinese characters from one to ten and matched them with the corresponding pictures.

Grade One and Two students engaged in a fun group competition, reviewing the vocabulary for various drinks and demonstrating their ability to recognise and recall these words.

Meanwhile, Grade Three and Four students focused on revising the vocabulary for months and days of the week. They also honed their skills in asking and answering questions related to days of the week through structured conversations. As part of their learning experience, they enjoyed the challenge of using online learning activities, but some students are encouraged to further expand their vocabulary.

For our Grade Five and Six students, their journey began with a virtual tour of Hong Kong. Through research, discussions, and comparisons, they uncovered valuable information about the city. Additionally, they explored the cultural connection between Bendigo, Australia, and Hong Kong, delving into the significance of the story of Dai Gum Loong, the Imperial Dragon. This exploration enriched their understanding of the historical and cultural bond shared between these two places.

We are also proud to announce the great news that our talented student, **Hayley B**, has been selected to represent Australia in the Chinese Bridge Chinese Show for Foreign Primary School Students in China this October. Hayley is dedicatedly preparing her Chinese speech and performance to showcase her exceptional talent on a broader stage.

### Plant Stall

The Green Team students are holding a plant stall in spring with the help of Ms McLennan and Mr Butler our gardening teacher. Ms McLennan is reusing takeaway coffee cups to pot up as 'Grow Cups'. Mr Butler has a number of plants growing in the sustainable garden. If you are a keen gardener, we would love to have your plants to sell on our stall as well. The Green team has decided to donate all funds raised to a charity that cares for endangered animals. The **Green Team representatives** will be responsible for setting up, selling and packing up the stall. We are hoping the Green Team representatives can wait until 3:40 after school on the following days. We understand if your child is unable to stay.

## PHYSICAL EDUCATION

### Sandhurst Deborah District Athletics Championships

Congratulations to all students in Grades 3-6 who represented Camp Hill Primary school at the Deborah Athletics on Tuesday 1<sup>st</sup> August. Thank you to Mr Shannon and Bill Conroy for your assistance running the Long Jump event and coming along for a great day. Many students had fantastic results at both the field and track events. Students will be invited to the next level in the following weeks with results yet to be collated.
