Parent/Carer Survey

Please be aware the Parent/Carer Survey closes on the 8th of September, if you could spend a few minutes completing the survey it would be appreciated.

Fathers' Day

This weekend we celebrate the father figures in our lives. It's a great opportunity to reflect on the important role our fathers and father figures play in the lives of their children. To all the fathers have a great Fathers' Day.

Why Fathers are Important in the School

Not only have fathers been shown to have a significant impact on academic achievement, but children's attitude toward learning and school is also very strongly influenced by their father. So, if you model and encourage a love of learning you will be setting your child up for success throughout their lives.

Dad joke of the week

I can't believe someone broke into my house and stole my fruit. I am peachless...

R U OK? Day is Thursday 14th September 2023

R U OK? Day 2023 is Thursday 14 September and is a national day of action when we remind our students that every day is the day to ask, 'are you OK?' and start a meaningful conversation whenever they spot the signs that someone they care about might be struggling. To help remind everyone of the importance of asking RUOK?, we are inviting students to wear a splash of Yellow with their uniform on Thursday September 14th.

DOGS CONNECT

Polly was very excited to put her Little Miss Greedy costume on and join in the book parade last week. She thought everyone's costumes were so creative and enjoyed being part of the fun. One of her favourite things to do is relax and listen to a good story, so she was delighted to be part of the whole school read on the turf in the afternoon.

Polly now has a sponsor! Fur Life Vet has generously donated a 12-month Best Mates Membership, providing **FREE** vet consultations, vaccinations and dental care for Polly.

Father's Day

Celebrating Father's Day. Father's Day was extra special at our centre. Our children put on their creative hats to craft heartfelt cards and unique gifts for their dads. The joy on their faces as they presented these gifts was priceless. It's beautiful to see the bonds between our young ones and their fathers grow stronger through these special moments.

Outdoor Adventures Galore

As advocates of active and outdoor play, we've been having a blast under the sun. From thrilling scavenger hunts to exciting nature walks, our kids have been exploring and learning in the great outdoors. We believe that outdoor activities not only promote physical fitness but also stimulate curiosity and a love for nature.

Accounts

Just a reminder that Friday 1st September is our next due date for account payment for the current fortnight bookings. Fortnightly payments are necessary to cover the cost of staff, food, and resources, and to avoid cancellation of bookings.

Dental staff are in school on various days checking those students' teeth who have given permission. Students are given a toothbrush and a sticker once they have been, so keep an eye out for this coming home.

Pyjama Day

Don't forget to wear your pyjamas on Wednesday – check pyjama day information listed earlier in the newsletter.

Water Bugs

On Wednesday we had Nicole from the North Central Catchment Region come to school with hundreds of her friends...water bugs! Foundation students had so much fun discovering which water bugs had stowed away in her buckets of water collected from the Bendigo Creek at Huntly that morning. Ask your student to wriggle like a Caddisfly larvae and you'll see how much fun we've been having.

Teddy - "I like that we got to catch the water bugs. I caught baby dragonfly."

Ziana - "Well I liked how they moved. It was so interesting that there was different types and sizes. Some were bigger and longer"

Edie - "I liked that they could swim fast. I caught that big one!"

Hats

As the weather warms up and the sun is shining it is time for us all to start wearing our hats. Please make sure all hats are labelled clearly and are ready to go for Term 4.

Maths

We are beginning our new unit of learning on time. We are learning to tell the time using analogue clocks to o'clock, half past and quarter to. It would be great if you could have discussions with your child(ren) around analogue clocks and how we interpret them.

Literacy

We are currently looking at non-fiction texts in reading with a focus on the text type of information reports in writing. Reading non-fiction books at home and then responding to the text or writing down some interesting facts they have learnt from the book is a really great way to consolidate their understanding.

VISUAL ARTS

Students in Grade 3 and 4 have been studying positive and negative shapes in Art and learning a variety of techniques to create positive and negative images. Here are some fabulous scratch pictures completed by students today in Art while other students had their first go at using a Gel plate to create printed papers used positive and negative shapes.

LOTE

Students from Grade One to Six were treated to an exciting dumpling-making session in their Chinese class this week. The aim was to immerse them in the world of Chinese culture while having fun together. Our attempt to introduce the ingredients in Chinese, however, was met with the challenge of managing multiple activities simultaneously. Juggling between making dumplings, cooking them, and indulging in a dumpling feast turned out to be quite the task in the limited time.

Despite the time constraints, our students embraced the experience wholeheartedly. They were thrilled to engage in this immersive learning activity, transforming into enthusiastic participants in our very own 'dumpling factory.' The classrooms echoed with delighted conversations such as "They are delicious" and "These are the best dumplings I have ever had." And of course, the inevitable request, "Can I have more?" It was truly heartwarming to witness the genuine enjoyment and appreciation our Camp Hill kids exhibited.

Foundation to 2 Athletics Carnival – Thursday Week 1 Term 4

The Foundation - 2 students have been working hard in PE practising for their first sports day this year! Our junior carnival will be held on Thursday 5th October at school. The day will focus on participation and enjoyment with all children having the opportunity to participate in all athletic and novelty events. There will be no scoring involved on the day, however it is required that every child has a go at all events, so they will need to wear comfortable sporting school uniform and footwear.

Please make sure they wear sunscreen, a hat and have a drink bottle. Students will eat their normal lunch in their classrooms and are recommended to bring extra food.

Intensive Swimming Week – Term 4, Monday 16th to Friday 20th

Students in Grades Foundation to 6 will be bused to and from Gurri Wanyarra Wellbeing Centre for 45-minute lessons, School swimming and water safety program. The school has covered the cost of each lesson through funding for swimming and water safety education.

We invite parents with current WWC cards to assist us with bus travel and supervision of students.

All students are required to wear their bathers under their uniform ready to get in the water as there is not enough time when we arrive at the centre for students to get changed. Students need to bring their change of clothes with them, so they can get changed quickly after the lesson.

On **Thursday 19 October** all students will need to bring **extra clothing** – please wear shorts and t-shirts over their bathers for a 'Clothes Swim' survival lesson.

Please label all your child's clothing and towels clearly to help staff with lost property.

Foundation students are required to complete a link that provides information to our instructors about your child's swimming experience and aquatic ability: [Camp Hill Primary School - Swimming Assessment Foundation](#)

All students in grades 1-6 will be classified by their instructor:

Beginner swimmers - students with little or no experience including in shallow water.

Intermediate swimmers - students with basic skills, able to swim 25 metres with a recognisable stroke.

Advanced swimmers - students able to swim 50 to 100 meters using two recognisable strokes, and to demonstrate one survival stroke in deep water.
