Walk to School Day

Camp Hill Primary School will be celebrating Walk to School Day on Thursday (12/10/23). We encourage students and their families to leave the car at home on this day and get a taste of the benefits, ease and fun involved in choosing to walk a short distance to school. Families will have the opportunity to meet a staff member at designated locations within the school precinct and they take a short walk to school. Families who are participating in the walk are asked to meet at the designated meeting location by 8.30am. Staff members will be leaving at 8.30am sharp and will no longer be at these locations to supervise students after this time. Come along, get involved and let's have a fun start to our morning! If you have any questions, please contact your child's classroom teacher.

Dad joke of the week

To start a zoo you need at least 2 pandas, a grizzly and a polar bear. It's the bear minimum...

ASSISTANT PRINCIPAL

Thanks to everyone for their efforts to be at school on time and ready for learning every day.

According to the Department of Education guidelines attendance that falls below 80% is of concern. At Camp Hill we work hard to understand the reasons behind student absences and support parents to ensure students are at school. In Term 3 16% of our students fell below 80% attendance. Many of these students' absences were explained and we thank parents for communicating with the school about the absence.

Our aim is to have every absence explained and you will receive a message on the day your child was absent to help with this.

Next week our attendance data will be back in the newsletter and our Attendance leaders Liv & Hailie will be at assembly encouraging everyone to be at school on time. They will also be presenting the Attendance hero trophy for a student who had 100% attendance for the week as well as handing out Early Bird certificates to the classes with no late arrivals.

Thanks for your continued support with attendance.

RIGHTS, RESILIENCE AND RESPECTFUL RELATIONSHIPS (RRRR)

Topic 7: Gender and Identity

Learning activities within this topic assist students to challenge stereotypes and critique the influence of gender norms on attitudes and behaviour. They learn about key issues relating to human rights and gender identity, and focus on the importance of respect within relationships. The activities promote respect for diversity and difference.

Discussion points for at home with your child:

- Encourage open discussion with your child/children at home about things that they **can** or **enjoy** doing regardless of gender stereotypes.
- Discuss with your child how gender stereotypes may have changed since you were young.

Activities to practise with your child:

Foundation-Grade 3

Create a list of positive affirmations with your child that they can read each day to remind them of all of the wonderful things that they can do.

Grades 4-6

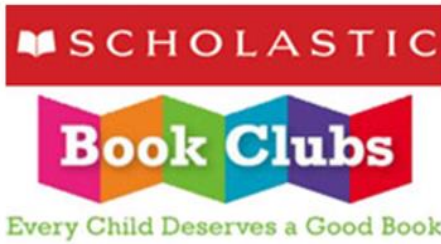

After watching a TV show or movie, have a discussion with your child using the prompt questions below.

Who is this program for? Who is the intended audience? How do you know?

What roles do boys and girls (and men and women) get to play in this program?

If you could speak back to the program designers, what would you want to say to them?

FOUNDATION LEARNING TEAM

Fire Fighter Visit

On Wednesday we were lucky enough to have 4 members of the Bendigo Fire brigade come to school and teach us about good fires and bad fires. We got to see what they wear to a fire and also what we should do if there is a bad fire at our house (*get down low and go go go* - and also go outside to a safe place like your letterbox).

Students have taken home a worksheet to complete to bring back to school before next week's visit which will include a fire truck!

Junior Athletics

Athletics today – stay tuned for photos.

Term 4 Swimming Program

Our week long swimming program will take place in Week 3 from Monday 16th October. We do need parent volunteers to come on the bus with us. We have already had some people volunteer which is excellent but there are one or two days that we still need a parent. If the office has your WWCC details and you can help, please talk to Nina or Donna.

Students come to school in their bathers with school uniform over the top. Please send flip flops and a hooded towel in a separate swim bag on swimming days and a little extra snack because students get very hungry.

Foundation Learning Team

1/2 LEARNING TEAM

Welcome Back

A big welcome back to Term 4! We hope you all had a safe and happy holiday, and we are looking forward to a busy but very exciting Term 4!

Incursion

Next Monday 9th October, students will be participating in 'Planting Seeds B&B Highway' program. This program will include creating habitats for local pollinators who are experiencing significant population decline. We are extremely lucky to have this program here at Camp Hill as we are 1 of only 3 schools in the Bendigo region selected to participate.

Concert

A friendly reminder to families for students to bring in to school a white t-shirt ASAP to paint during their specialist art lessons. Information regarding the t-shirts was sent home at the end of Term 3, if you require a new information sheet please contact your classroom teacher.

1/2 Learning Team

3/4 LEARNING TEAM

Welcome back to Term 4!

Hats

Please remember that school hats must be worn by all students this term. Baseball caps or beanies are not permitted.

Swimming Program

Our school swimming program will run in week 3 (Monday 16th – Friday 20th October). Students will be bused to and from Gurri Wanyarra centre and will have a 45 minute lesson each day of the week. Students in Grades 3 and 4 are to arrive at school with their bathers under their school uniform. On Thursday 19th October all students will need to bring extra clothing for a clothes swim survival lesson. We will need parent helpers. If you have a WWCC and can assist, please contact your classroom teacher.

School Concert

Notes went home last term explaining what costumes students will need for the school concert and the songs they will need to practise. If you have misplaced, or not received this note, please contact your classroom teacher.

Term 4 Inquiry

This term's inquiry project is to create a 'useful' item out of 'useless junk'. Starting in week 7, students will begin designing and creating a new, purposeful object using items from their home junk drawer, recycling tub and/or landfill tub. Please start saving useful items that students can use to create their upcycling project.

LOTE

As you may be aware, the Bendigo Chinese Language Participation Weeks are in full swing, providing our students with exciting opportunities to explore Chinese language and culture through a range of engaging activities. We would like to take a moment to highlight some of the remarkable achievements and inspiring stories from our students.

In 2022, one of our exceptional students, Hayley B, made a significant mark during the Bendigo Chinese Language Participation Week Chinese competition. She not only won the First Prize for her Chinese speech but also received the Best Singing Award. Her talent and dedication continued to shine as she secured top positions in both the singing and speaking categories of the Victorian Chinese Talent Competition. We are proud to share that Hayley has now been invited to represent Australia in the 3rd Chinese-Bridge Chinese Show for Foreign Primary School Students in October.

Hayley's journey in learning Chinese and her remarkable success have been a source of inspiration for our young learners. Her achievements remind us of the limitless potential that lies within each of our students, and we look forward to seeing more of our students follow in her footsteps.

In the lead-up to the 2023 Bendigo Chinese Language Participation Weeks, our students have been enthusiastically participating in various cultural activities:

Foundation Students: Our youngest learners have taken on the exciting challenge of practicing numbers from one to one hundred in Chinese.

Grade One and Two Students: These students have been busy singing and storytelling in Chinese, showcasing their developing language skills and creativity.

Grade Four to Six Students: Our older students have been engrossed in designing Han Fu, the traditional clothing worn by the Han Chinese. Their designs reflect a harmonious blend of Chinese and Australian cultural symbols, where the East meets the West in a captivating and culturally rich manner.

If you would like to learn more about the exciting events happening during the participation weeks, we invite you to visit our dedicated website: <https://bendigomandarin2023.weebly.com/>. Here, you can find additional information, updates, and insights into the activities and achievements of our students.

PHYSICAL EDUCATION

This week in Physical Education all grades from Prep to Grade 5 have enjoyed learning about traditional games. Students understand that some of these games their grandparents may have played back when they were at school. Working enthusiastically in small groups, teams enjoyed using a long skipping rope, bocce, hop-scotch, quoits and marbles to be awarded points for effort and turn taking.

Regional Athletics

Congratulations to **George C** in 3/4D for qualifying for the LMR Regional Athletics after an outstanding effort in both Long Jump and Triple Jump at the Division level. George will represent CHPS on 9th October at Flora Hill Athletics Track. We wish George all the best in his two events. Thank you to the parents who also support their child to attend the last stage: Division Athletics. We are so proud of our athletics super stars in term 3!

F-2 Athletics Carnival

Our success continues in athletics as our Foundation – Grade 2 students participated in their exciting rotation of throwing, jumping and running activities. Their events were organised and designed by our wonderful Grade 6 leaders. Well done to all our Little Aths participants for completing a fun filled Thursday carnival!

Swimming – Foundation to Grade 6

Term 4, week 3, 16th - 20th October. Classroom teachers are seeking parental assistance to travel on buses. All volunteers will need their Working with Children Check confirmed at the office. Students will be bused to Gurri Wanyarra for their 45-minute session (Learn to swim & water safety).

On Thursday 19th October all students will need to bring extra clothing – please wear shorts and t-shirts over their bathers for a Clothes Swim survival lesson. Parents will need to give permission via the Sentral app. The program is fully funded, so no charge.

PERFORMING ARTS

What's new this week?

Students are rehearsing and polishing their music, dance and drama pieces for the concert
Camp Hill Primary School Presents: "Secrets of the Museum".

Secrets of the Museum is a show with mystery, history and adventure. Come on a heart-warming adventure with four inquisitive kids who accidentally get locked in the storage room at the Museum. As they search for a way out, they embark on an exciting journey through time, meeting characters from Australian history, learning about Australia's rich history and heritage along the way. Through their adventures, the kids discover the importance of curiosity and exploration.

October 26th at Ulumbarra Theatre.

Students arrive Stage Door at 6pm. Performance: 6:30-8:25pm

Tickets \$12. On sale Monday, 9am. Box Office 5434 6100 OR www.gotix.com.au

The Grade 5-6 students have created a terrific storyline. All students are expected to be at the concert as it is an important part of the school calendar and is also a central part of the student outcomes for Performing Arts and Visual Arts. Students have worked together to learn musical items, create dance and drama as well as creating art pieces for use in the concert. It is normal for students to feel nervous in the lead up to the concert and we will work on techniques for dealing with the inevitable nerves. The focus of the concert is participation and joy. We don't aim for perfect performances, we aim to have a successful community experience, using the Arts to bring us together.

Costumes: These items are required asap:

Please don't go to unnecessary expense and look for these in the Op Shop.

- **Grade 1-2** - WHITE t-shirt to paint in Art.
