GUIDELINES FOR ACTION

• All teachers will plan together each term using the Victorian Curriculum, the Camp Hill Primary School Writing Scope and Sequence, the Direct Instruction Models for Reading and writing; and the Spelling Continuum.

• The Camp Hill Primary School program is based on the Education State Literacy Strategy to best assess what every student knows, what they need to learn next, and to match this with high quality, differentiated instruction in literacy based on the Victorian Curriculum. Camp Hill Primary School delivers its curriculum through the Direct Instructional Model, using the Early Years Model as a guide in years F -4, and the Leading Literacy professional learning to support planning and implementation across the Years F-6 program.

• Students' progress will be monitored using English Online testing, 'On Demand' adaptive reading and spelling computer programs, NAPLAN, ABLES and learning opportunities provided to cater for the identified needs of each student including Reading Recovery and SELL (Supporting Early Literacy Learning)

• Student progress in all strands of English will be reported in half and end of year academic reports as well as in the school's Annual Report.
